KUWAIT VISION 2035

- ❑ Kuwait plans to spend more than half a trillion dollars by 2040 to boost its oil and gas output and refining capacity. To achieve these targets, KPC plans to spend \$114 billion in capital expenditure over the next five years and an additional \$394 billion beyond that to 2040.
- ❑ Kuwait, China in deal to build \$82bn Silk City project. Kuwait and China have signed a deal to develop the KD25 billion (\$82.2 billion) Madeenat Al Hareer (Silk City) - a massive development which boasts the Burj Mubarak Al Kabir tower, a nature reserve, a duty free area, a new airport, a large business center and other facilities - besides 5 other Kuwaiti islands.
- ❑ South Al-Mutlaa City is the largest housing project in Kuwait. South Al-Mutlaa project consists of 12 suburbs including roughly 28,363 houses, covering 400 square meters each. It is located 40 km northwest of Al-Jahra City. It has a total of 30,000 housing units.
